Revit Structure Fundamentals - BIM CoE

BIM Center of Excellence (BIM CoE) at Department of Civil Engineering, Capital University of Science & Technology (CUST), Islamabad in collaboration with H-cube has successfully conducted its 2nd training workshop on *Revit Structure Fundamentals* for two (02) days on 22nd February and 1st March, 2019.

Ten (10) individuals with different educational/industrial background participated in this training from various organizations (E-N-C, Naqvi and Siddiqui, MS Scholar from CUST etc.). During the two days, the participants were briefed about the fundamentals of Structural Modeling and experienced hands-on training of Revit Structure. At the end the training, certificates were distributed among the participants.
