No.23/CUST/ORIC/2019

28th November, 2019

Ideas Hunting Session with Faculty of Mechanical Engineering about Innovation and Commercialization

Office of Research Innovation and Commercialization at Capital University of Science and Technology (CUST) has the ambition to not only enhance the research culture at the university but also to translate research results into practice to have a positive impact on our region's economy. In this regard a brainstorming session was held by ORIC with Faculty of Mechanical Engineering (ME) on 22nd November 2019 in B-Block Workshop Room at 9:30 AM. Prof. Aamer Iqbal Bhatti, Dean Research & Innovation chaired the meeting.

Dean Research & Innovation apprised that purpose of the meeting is to have a brainstorming session with the faculty members to discuss and share ideas and to identify domains in the field of Mechanical Engineering that have commercialization potential. He requested the faculty members to share low-risk, high-yield opportunities that can be addressed utilizing the available lab facilities of the department. After comprehensive and deliberate discussion major directions identified and agreed upon by all participants are as follows:

- i. Cold Storage System
- ii. Training at CUST by ME Faculty
- iii. Testing and Certifications

The session ended with a vote of thanks to the chair and participants.

Prof. Aamer Iqbal Bhatti
Dean Research & Innovation
