

## Capital University of Science and Technology Islamabad

### QAYAD Estate Management's Visit

On the request of QAYAD Estate Management Co. (Pvt) Ltd the placement office organized their visit at CUST. The HR Head & Senior Social Media Strategist Ms. Bushra Saqib Kiani along with two of her team members from QAYAD Estate Management visited the Capital University of Science and Technology – Islamabad on Wednesday, 17<sup>th</sup> June, 2021.

QAYAD Estate Management is one of the leading Prop-Tech firms of Pakistan, offering affordable and viable real estate solutions to the masses. Making real estate approachable to a common man is what QAYAD estate management is striving for day and night. Keeping its focus on digitalization, the company also known in the market for client-friendly and highly profitable projects. Among their latest projects, QAYAD 5-Star Hotel and QAYAD Residencia have caught some special attention from investors countrywide.

Dr. Muhammad Sagheer, Director Student Affairs warmly welcomed the representatives from QAYAD Estate Management. The Director Student Affairs briefed about CUST, education excellence, faculties etc. and highlighted the importance of academia – Industry coordination. The company's representatives highly admired the quality education as well as the state of art infrastructure of the University.

The company showed interest to hire the students/graduates of CUST from different Faculties including the Faculty of Management & Social Sciences and Computer Science. Paid internships leading to jobs will be offered to CUST students and the fresh graduates would get an opportunity to work with corporate sector and enhance their skills. The Director Student Affairs, Dr. Muhammad Sagheer ensured the great coordination to refer the graduates/students of Capital University of Science and Technology for different assortment of opportunities.
