

# SPORTS WEEK

21<sup>st</sup> - 26<sup>th</sup> October (FALL 2024)

*It is a matter of immense pleasure that we have successfully organized CUST Sports Week 2024 (21-25 October). In my personal capacity and on behalf of the Sports Committee, first and far most, I am thankful to Almighty Allah who blessed us the strength to fulfil this responsibility. I express my deepest appreciation to worthy Vice Chancellor, university administration, departmental sports coordinators, sports managers, Heads of Departments and the group of student volunteers for active participation, unwavering support, and the fantastic spirit each one of them brought to the event.*

*From the very start of the event till the closing ceremony, every activity has been extraordinary. We've seen players doing their best, teams collaborating in unity, and a deep sense of excitement throughout campus. The most brilliant aspect of this whole event is that players not only competed with extreme level of enthusiasm and energy but also showed an extraordinary sportsman spirit. I am personally proud of the fact that not only a single incident of indiscipline was observed. The students deserve a huge appreciation for that. The salient features of the sports week that I would like to mention are diverse competitions, team spirit among players, students participation as plyers and as supporters and a very elegant closing ceremony.*

*This Sports Week has proven that CUST strives not only for academic excellence but also provides a place where passion, teamwork, and healthy competition thrive. I do hope that this spirit will be continued to promote the values of fitness, wellness, and collaboration in everything we do. I encourage all students and faculty members to keep up this spirit and keep participating in future events, or simply staying active and engaged.*

*Once again, thank you everyone who played his/her role for making CUST Sports Week 2024 a tremendous success.*

*Warm regards,*

**Dr. Nayyer Masood**

*Convener, CUST Sports Committee 2024*

# Participating Departments

Sports are very important for building a person's character and personality. They provide a fun break from everyday life and help young people grow physically and mentally. Capital University of Science and Technology offers great facilities for sports. The university has a gym, outdoor fields, and clubs for different activities. The university's sports options include traditional games like Football, Tennis, Cricket, Badminton, and Volleyball, as well as indoor games like Table Tennis, Ludo, and Carrom. To encourage teamwork and friendly competition, we held interdepartmental tournaments during the Fall 2024 semester for both male and female students. All fifteen departments, including Pharmacy, Bioinformatics and Biosciences, Mathematics, Computer Science, Software Engineering, Artificial Intelligence, English, Accounting and Finance, Management Sciences, Psychology, Electrical Engineering, Mechanical Engineering, and Civil Engineering took part with a lot of energy and excitement. These activities not only help students stay fit but also build friendships and teamwork skills.

*Sports also play a significant role in the overall development of human personality, and character building and offer a diversion from monotonous routine and other societal evils. Youth need help in their physical and mental growth and enhancing their capabilities. In this regard, Capital University of Science and Technology specializes in providing adequate facilities for healthy physical activities including a gymnasium, grounds for various sports, and membership of clubs. University facilities for sports and physical activities are continuously developing with a full range of traditional sports such as Football, Lawn tennis, Badminton, Volleyball, etc. with indoor sports facilities for Table tennis, Ludo, and carrom board. Additionally, there are opportunities to participate in various fitness activities in the Gymnasium. To enhance the sportsman spirit and sense of healthy competition, interdepartmental tournaments were organized throughout the Fall 2024 semester for both male and female students. All Fourteen departments including Pharmacy, Bioinformatics and Biosciences, Mathematics, Computer Science, Software Engineering, Artificial Intelligence, English, Accounting and Finance, Management Sciences, Psychology, Electrical and Computer Engineering, Mechanical Engineering, and Civil Engineering participated with full spirit and zeal.*

# Opening Ceremony

*Sports Week was inaugurated by a very colorful opening ceremony. All participant teams from all departments gathered in the Wall Arena. The faculty members, HoDs, and Deans were also present at the occasion. The worthy Vice Chancellor of the university Prof. Dr. Muhammad Mansoor Ahmed was the chief guest. After the recitation, the national anthem, and oath-taking of all players and the audience. Sports week was officially declared open by the chief guest. This announcement was followed by huge fireworks, balloons were released in the air and huge appreciation and clapping was raised by all those present. After this, all teams marched passed the stage, and the opening ceremony was concluded. The teams then moved towards their respective grounds as per schedule. Following are a few glimpses of the opening ceremony:*

# CRICKET

*The cricket tournament, a key highlight of Sports Week, commenced on October 21, 2024, with immense enthusiasm from both participants and spectators. The event showcased the talent and competitive spirit of students from 15 departments, ensuring active involvement in every stage of the competition. A total of 15 matches were scheduled, with some Byes and walkovers planned based on team availability. The tournament concluded on October 25, 2024, with thrilling finals for both boys and girls.*

## BOYS EVENTS

*The cricket tournament, a key highlight of Sports Week, commenced on October 21, 2024, with immense enthusiasm from both participants and spectators. The event showcased the talent and competitive spirit of students from 15 departments, ensuring active involvement in every stage of the competition. A total of 15 matches were scheduled, with some Byes and walkovers planned based on team availability. The tournament concluded on October 25, 2024, with thrilling finals for both boys and girls.*

20  
24

# GIRLS EVENTS

*The girls' cricket tournament followed the same structured format, ensuring maximum participation and enthusiasm. The matches were equally competitive, reflecting the growing interest and talent in cricket among female students. The final match was contested between the Associate Degree Program and the Department of Pharmacy. Both teams displayed remarkable determination and sportsmanship. The Department of Pharmacy claimed victory in the end, cementing their place as champions in the girls' cricket tournament.*

## CRICKET

*The cricket tournament was a resounding success, highlighting the competitive spirit and camaraderie among students. The event not only encouraged athletic excellence but also fostered a sense of unity and excitement throughout Sports Week.*

# FOOTBALL

*Football is one of the most popular sports in the world, uniting people across cultures and countries. It is more than just a game; it is a way of life for many and a symbol of teamwork and perseverance. For youngsters, football serves as an excellent outlet for energy, helping them stay active and healthy while learning essential life skills. Departmental teams participating in football tournament exhibited that it is not just a game but a stepping stone to developing a well-rounded personality and a healthy lifestyle. The tournament of Football started on October 21, 2024. All fifteen departments participated with full spirit and zeal. The matches were conducted as per plan with maximum participation from students not only as players but also as spectators. The event ended with a final match on October 25, 2024, between teams from the Department of Computer Science and the Department of Management Sciences. It was a nail-biting final match with Department of Computer Science winning through free kicks.*

# VOLLEYBALL

Volleyball is a dynamic and exciting team sport that requires agility, coordination, and teamwork. Each team was allowed up to three touches to return the ball, typically involving a bump, set, and spike. The game were played in three sets of 15 points each. All matches were played on the knock-out basis. The CUST volleyball tournament was played on the open ground markeid by many fast-paced rallies and spectacular dives, that made the games thrilling for both players and spectators. The tournament of Volleyball was started on October 21, 2024. Fourteen departments participated with full spirit and zeal. The event ended with a final match on October 25, 2024, between teams from the Department of Pharmacy and the Department of Software Engineering. The team from the Department of Software Engineering won the tournament.

# BASKETBALL

*The basketball tournament during CUST Sports Week 2024 was a thrilling display of energy, skill, and passion, captivating both participants and spectators. Basketball, with its fast-paced action and demand for precision, teamwork, and agility, has always been a favorite among students. The event not only highlighted the athletic talent of the players but also brought together the university community in a shared celebration of sportsmanship.*

## Boys' Event

*The boys' basketball tournament kicked off on October 21, 2024, with teams from all 15 departments participating. The competition was fierce, with each team bringing its A-game, demonstrating remarkable coordination and competitive spirit. After several intense matches, the final match saw the Department of Software Engineering and the Department of Civil Engineering face off in a gripping showdown. The final game kept the crowd on edge, with exceptional plays from both teams. Ultimately, the Department of Software Engineering claimed the trophy, showcasing their unmatched teamwork and strategy.*

## Girls' Event

*The girls' basketball tournament began on October 22, 2024, following a carefully organized schedule of matches. Teams from all 15 departments participated with zeal, showcasing their dedication to the sport. After a series of competitive games, the final match was played between the Department of Psychology and the Department of Pharmacy. The final was a spectacle of athleticism and sportsmanship, with both teams demonstrating exceptional skills and resilience. In the end, the Department of Pharmacy emerged victorious, securing their place as champions of the girls' basketball tournament.*

*The basketball tournament proved to be one of the highlights of Sports Week 2024, with its electrifying matches and enthusiastic participation. Both boys and girls demonstrated that basketball at CUST is more than just a game—it's a celebration of teamwork, perseverance, and the pursuit of excellence. The event left a lasting impression on everyone, reinforcing the unifying power of sports.*

# SQUASH

*Squash is known as a fast-paced racquet sport played by two players in a four-walled court. Squash requires agility, quick reflexes, and strategic thinking, as players must anticipate their opponent's moves and position themselves accordingly. Squash matches in CUST Sports week 2024 were played to the best of three games, with each game going to 11 points. Matches were marked by intense rallies and the players exhibited physical endurance that showed their high level in the game. The matches were played in Liaqat Bagh Sports Club, Rawalpindi. University arranged courts and also transportation for the players and spectators. The tournament of Squash was started on October 22, 2024. All the departments participated in this sport very enthusiastically. The event ended with a final match on October 24, 2024, between teams from the Department of Computer Science and the Department of Civil Engineering. The team from the Department of Computer Science was considered as winner. In the closing ceremony, the teacher from CS department received trophy on behalf of student.*

# CHESS

*The chess tournament during CUST Sports Week 2024 stood out as a cerebral challenge that brought strategy, intellect, and competitive spirit to the forefront. Known as the game of minds, chess pushes players to think critically, analyze possibilities, and craft well-planned strategies. The matches, held with a time limit of 15 minutes per player, ensured a fast-paced and thrilling experience for participants and spectators alike.*

## Boys' Event

*The boys' chess tournament kicked off on October 21, 2024, with participation from all 15 departments. The games were conducted in a knock-out format, leading to intense face-offs where strategy reigned supreme. The finals, held on October 24, 2024, witnessed an electrifying match between the Department of Computer Science and the Department of Biosciences. Both players demonstrated remarkable foresight and creativity, but it was the player from the Department of Biosciences who emerged victorious with a brilliant checkmate that sealed the championship.*

## Girls' Event

*The girls' chess tournament followed a similarly competitive format, engaging participants in thought-provoking games that demanded precision and planning. After an exciting series of matches, the final was held on October 24, 2024, between the Department of Computer Science and the Department of Accounting and Finance. The final was a testament to the players' tactical acumen, with the representative from the Department of Computer Science executing a masterful checkmate to claim the winner's title.*

## Conclusion

*The chess tournament added a unique intellectual flair to Sports Week 2024. It highlighted the importance of critical thinking and strategic planning, showcasing the exceptional mental agility of CUST students. Both boys and girls rose to the challenge, delivering performances that underscored their brilliance and love for the timeless game of chess.*

# TUG OF WAR

*The Tug of War tournament during CUST Sports Week 2024 brought an electrifying atmosphere to the campus, combining strength, teamwork, and sheer determination. Known for its ability to unite teams and energize spectators, this event garnered enthusiastic participation from students across all 15 departments. The matches were a test of resilience and strategy, showcasing the physical and mental grit of the players.*

## Boys' Event

*The boys' tournament began on October 22, 2024, with a well-organized schedule of matches designed to maximize engagement and competitiveness. Each match drew roaring support from the sidelines, with teams pulling every ounce of effort to claim victory. After two days of intense battles, the final match took place on October 24, 2024, between the Department of Management Sciences and the Department of Electrical and Computer Engineering. It was a hard-fought contest, with both teams showing incredible determination. Ultimately, the Department of Management Sciences prevailed, pulling their way to glory and earning the championship title.*

## Girls' Event

*The girls' tournament began on October 23, 2024, and carried forward the same fervor and excitement. Teams battled with enthusiasm and resilience, energizing the spectators with every match. On October 25, 2024, the final match was held between the Department of Biosciences and the Department of Computer Science. Both teams gave their best effort, but it was the Department of Computer Science that emerged victorious, showcasing excellent coordination and strength.*

*The Tug of War tournament was one of the most engaging events of Sports Week 2024, emphasizing the value of teamwork, perseverance, and unity. The event created unforgettable moments for players and spectators alike, proving once again why Tug of War is a staple in sports celebrations. Both boys and girls displayed incredible energy and camaraderie, making this tournament memorable.*

# BADMINTON

*Badminton, a sport synonymous with agility, precision, and tactical brilliance, was a standout attraction during CUST Sports Week 2024. With its combination of skillful rallies and strategic gameplay, the tournament captivated participants and spectators alike. Both singles and doubles matches for boys and girls showcased the sheer determination and athleticism of the players, adding an exhilarating dynamic to the week's festivities*

## Boys' Event

*The boys' singles match kicked off on October 22, 2024, radiating an atmosphere of intense competition and camaraderie. Each match reflected a blend of technical expertise and mental fortitude. The climactic final match, held on October 23, 2024, saw players from the Department of Software Engineering and the Department of Biosciences engage in a thrilling contest. With a remarkable display of agility and control, the representative from the Department of Software Engineering claimed the singles title.*

*Similarly, the boys' doubles tournament, initiated on October 23, 2024, was marked by electrifying energy and impeccable teamwork. Teams battled through a meticulously crafted schedule, drawing enthusiastic support from the spectators. The final, conducted on October 24, 2024, featured an exhilarating clash between teams from the Department of Biosciences and the Department of Software Engineering. Emerging as the undisputed champions, the team from the Department of Software Engineering exemplified strategic brilliance and impeccable coordination.*

## Girls' Event

*The boys' singles match kicked off on October 22, 2024, radiating an atmosphere of intense competition and camaraderie. Each match reflected a blend of technical expertise and mental fortitude. The climactic final match, held on October 23, 2024, saw players from the Department of Software Engineering and the Department of Biosciences engage in a thrilling contest. With a remarkable display of agility and control, the representative from the Department of Software Engineering claimed the singles title.*

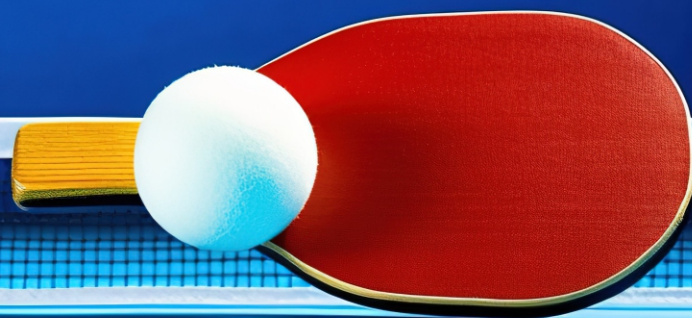

*In the doubles category, the tournament began on October 23, 2024, maintaining the same electrifying momentum. The synergy between teammates was put to the ultimate test, with every rally igniting the crowd's enthusiasm. The final showdown on October 24, 2024, pitted teams from the Department of Biosciences and the Department of Software Engineering against one another. Through calculated strategies and seamless coordination, the team from the Department of Software Engineering triumphed, securing the doubles championship.*

*The badminton tournament was a testament to the unparalleled determination and resilience of CUST students. Each match served as a stage for athleticism and sportsmanship, making badminton a cornerstone of Sports Week 2024. Both boys and girls demonstrated their mastery of the sport, elevating the tournament into a celebration of excellence and unity.*

## TABLE TENNIS

*The Sports Week 2024 featured Table Tennis as one of the most exciting events, organized in both singles and doubles formats for boys and girls. The event witnessed enthusiastic participation from 15 departments, showcasing a high level of competition and sportsmanship. Matches were conducted according to the schedule, and students actively participated both as players and spectators.*

## Boys' Event

*The Table Tennis Singles (Boys) tournament began on October 21, 2024, with spirited participation from all 15 departments. The final match was held on October 23, 2024, between the Department of BioSciences and the Department of Software Engineering. The Department of Software Engineering was declared the winner.*

*The Table Tennis Doubles (Boys) tournament followed on October 24, 2024. After a series of exciting matches, the final was conducted on October 25, 2024, between the Department of BioSciences and the Department of Software Engineering. The Department of Software Engineering secured another victory.*

## Girls' Event

*The Table Tennis Singles (Girls) tournament commenced on October 21, 2024. Players from 15 departments competed with full zeal, and after an intense series of matches, the final was held on October 23, 2024, between the Department of Pharmacy and the Department of Psychology. The Department of Psychology emerged victorious.*

*The Table Tennis Doubles (Girls) event started on October 24, 2024, with great enthusiasm. After several competitive rounds, the final took place on October 25, 2024, between the Department of BioSciences and the Department of Psychology. Once again, the Department of Psychology claimed the title.*

*Similarly, the boys' doubles tournament, initiated on October 23, 2024, was marked by electrifying energy and impeccable teamwork. Teams battled through a meticulously crafted schedule, drawing enthusiastic support from the spectators. The final, conducted on October 24, 2024, featured an exhilarating clash between teams from the Department of Biosciences and the Department of Software Engineering. Emerging as the undisputed champions, the team from the Department of Software Engineering exemplified strategic brilliance and impeccable coordination.*

*The Table Tennis events were a resounding success, with active participation and immense support from students across 15 departments. The tournaments not only highlighted exceptional talent and teamwork but also fostered camaraderie among students. Congratulations to the Department of Psychology for their victories in the girls' events and to the Department of Software Engineering for their triumphs in the boys' events.*

# SNOOKER

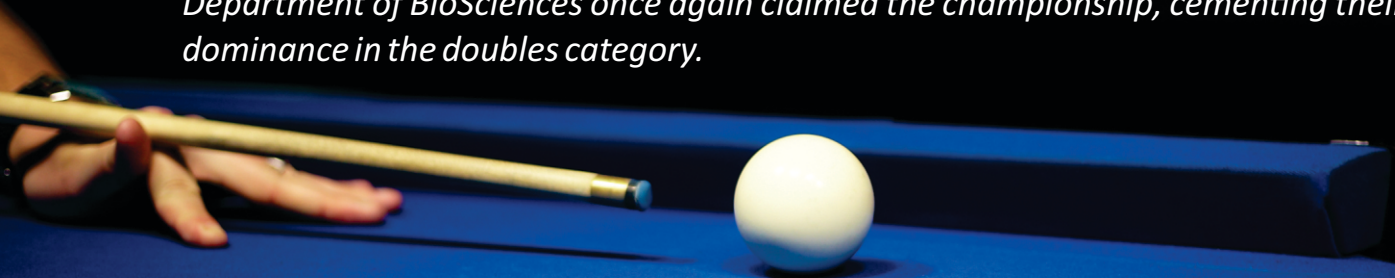

*The Snooker Tournament during Sports Week 2024 proved to be an exciting highlight of the event. Both singles and doubles competitions were held for boys and girls, showcasing remarkable talent and competitive spirit. A total of 15 departments participated with enthusiasm, and the matches were conducted smoothly as per the schedule*

## Boys' Event

*The Snooker Singles (Boys) event kicked off on October 22, 2024, and saw a series of exciting matches. The final, held on October 24, 2024, was a thrilling contest between the Department of BioSciences and the Department of Associate Degree Program. The Department of BioSciences emerged as the winner, demonstrating excellent precision and strategy.*

*The Snooker Doubles (Boys) competition commenced on October 24, 2024. Teams from all 15 departments participated, with the final match showcasing the Department of BioSciences against the Department of Management Sciences. The Department of BioSciences once again claimed the championship, cementing their dominance in the doubles category.*

## Girls' Event

*The Snooker Singles (Girls) tournament began on October 22, 2024, with players from all participating departments displaying great skill and determination. The final match was played the same day between the Department of Computer Science and the Department of Pharmacy. After an intense showdown, the Department of Pharmacy secured the victory, earning well-deserved applause for their performance.*

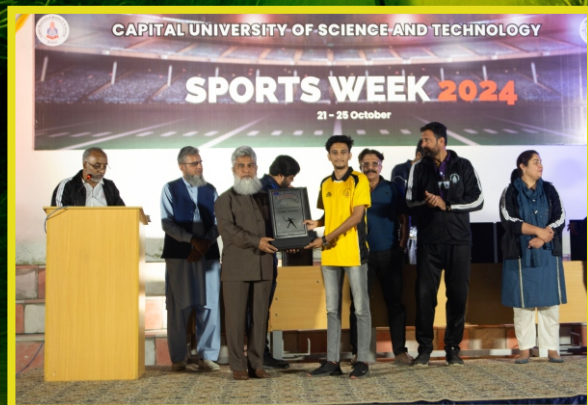

# LAWN TENNIS

*The Lawn Tennis tournament held during Sports Week 2024 was a spectacular display of skill, determination, and team spirit. Both singles and doubles competitions for boys and girls drew enthusiastic participation from 15 departments, making it one of the most vibrant events of the week.*

## Boys' Event

*The Lawn Tennis Singles (Boys) tournament began on October 21, 2024. Players from various departments showcased their athletic prowess throughout the matches. The final match, held on October 25, 2024, featured a gripping showdown between the Department of Computer Science and the Department of Electrical and Computer Engineering. In a closely contested match, the Department of Electrical and Computer Engineering emerged victorious, securing a well-deserved win.*

*The Lawn Tennis Doubles (Boys) tournament kicked off on October 22, 2024, and concluded with the final match on October 25, 2024. Teams from the Department of Software Engineering and the Department of Civil Engineering clashed in an intense final. The Department of Civil Engineering triumphed, earning applause for their teamwork and*

## Girls' Event

*The Lawn Tennis Singles (Girls) competition started on October 22, 2024, with players competing fiercely for the title. The final match, held on October 25, 2024, witnessed the Department of Pharmacy going head-to-head with the Department of Software Engineering. The Department of Pharmacy delivered an outstanding performance, claiming the championship title with grace and skill.*

*The Lawn Tennis tournament was a grand success, offering participants a platform to showcase their talent and passion for the sport. Heartfelt congratulations to the Department of Electrical and Computer Engineering for winning the boys' singles, the Department of Civil Engineering for securing the boys' doubles title, and the Department of Pharmacy for their victory in the girls' singles. The event reflected the vibrant spirit and unity of the students, leaving lasting memories of competition and camaraderie.*

# BOYS ATHLETICS

The boys competed in a long jump event on October 22, 2024, between 1:30 and 3 pm and the Computer Science department emerged as a winner. A hundred-meter race was held among the participants (boys) from different departments on October 23, 2024, between 3 and 5 pm in which the Computer Science department took the top spot. A 100x4 relay race was held among participants (boys) on October 23, 2024, between 3 and 5 pm in which the Computer Science department ended up as the winner. A shot put competition was held among participants (boys) on October 23, 2024, between 1 and 3 pm and the English department took the top honors. A Javelin Throw competition was held among contestants (boys) on October 23, 2024, between 1 and 3 pm in which the Computer Science department was considered as winner.

# GIRLS ATHLETICS

*A hundred-meter race was held among the participants (girls) from different departments on October 21, 2024, between 3:45 and 4:45 pm in which the English department took the top spot. A 100×4 relay race was held among participants (girls) on October 22, 2024, between 11:30 and 12:30 pm in which the English department was considered as winner. A shot-put competition was held among participants (girls) on October 23, 2024, between 11:30 and 12:30 pm and the Computer Science department took the top honors. A discus throw competition was held among participants (girls) on October 24, 2024, between 11:30 and 12:30 pm in which the Computer Science department was considered as winner. A Javelin Throw competition was held among contestants (girls) on October 25, 2024, between 11:00 am and 1:00 pm in which the Software Engineering department was considered as winner. A 3-Legged race competition was held among participants (girls) on October 25, 2024, between 11:00 am and 1:00 pm in which the Department of Accounting and Finance took the top spot.*

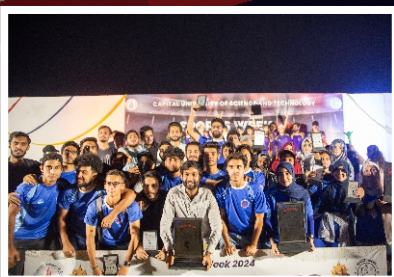

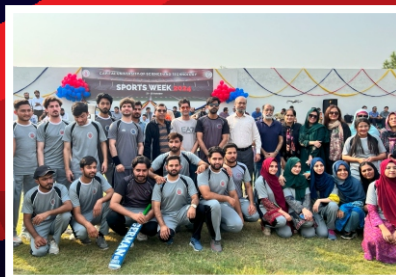

Not only does brilliant academic performance make a person a responsible and productive individual in a society rather a balanced personality requires a healthy body and brain. To enhance the sportsman spirit and to provide respite from the hectic academic schedule, CUST organized a sports week from October 21 to October 25, 2024. All the activities and matches of Sports Week ended with a customary closing ceremony held on the evening of October 25, at CUST ground. Professor Dr. Mansoor Ahmed, VC CUST joined the celebrations as chief guest. All Deans of Faculties and Heads of Departments also graced the event with their presence.

The ceremony started with a recitation of the Holy Quran, after which the Convener sports committee gave a vote of thanks to all the participants, players, organizers, and administration of the University for making this possible. Special Thanks were extended to VC CUST for his unconditional support of the event. The Chief Guest, Dr M. Mansoor Ahmed appreciated the organizing Team, Student affairs office, and administrative staff for the smooth conductance of the event. He then presented trophies to winners of matches between Faculty members (both male and female). The winners of each sporting event of Girls and Boys sports were invited on stage to receive the trophies. The event proceeded with Group photos of winning teams and departments with the chief guest. Fireworks and Flying lanterns kept the evening bright.
