Audit Report

1. Introduction

The Capital University of Science and Technology (CUST) website undergoes regular audits conducted by the MIS department (CUST). These audits review page quality, relevance, and performance, ensuring that the site provides accurate, accessible, and up-to-date information for stakeholders. This report summarizes the results of the latest review, highlighting pages identified for removal, updating, or merging.

2. Audit Methodology

- **Quality and Accuracy Review**: The MIS team(CUST), in collaboration with the Director IT (Dr. Masroor Ahmed) and the Manager IT (Mr. Qamar Zaman), ensures site quality and correctness.
- **Link and Content Verification**: All links were tested, and page contents were checked for relevance, accuracy, and currency.
- **Collaboration with Head Office (Tower Tech)**: Technical audits, site performance, security, and accessibility assessments were conducted by the Tower Tech team.
- **Frequency**: The site is audited on an ongoing basis, with daily or ad hoc reviews as required.
- **Audit Results:** Audit results highlight areas for improvement, which are addressed either internally by the MIS department (CUST) or by referring specific tasks to the Head Office Tower Tech for expert intervention. The website operates reliably, aligning with university standards and maintaining high-performance levels.
