Two Days Hand-on Workshop on Latex

Office of Research, Innovation and Commercialization (ORIC) organized “Two-Days Workshop on Latex” on 14th -15th November, 2023 in Instructions Lab-2, M-Block. The purpose of the workshop was to equip participants with the most updated knowledge about creation of technical documents using Latex with practical illustrations.

Latex is a typesetting system suitable for producing scientific and mathematical documents which enable authors to typeset and print their work at the highest typographical quality. It is most often used for medium-to-large technical or scientific documents and can be used for almost any form of publishing. Some of the key topics covered in the workshop were:

1. Latex Overview and Installation
2. Document Write-up
3. Mathematics Operations
4. Figures and Tables
5. Table of Contents
6. Bibliography
7. Beamers (Presentations) etc.

The workshop was conducted by Dr. Sohail Rizwan HoD Commerce, (FJWU), Rawalpindi. A total of 15 participants including students and external participants from PIEAS and QAU Islamabad attended the workshop. The response of participants was quite promising and workshop proved to be a great source of hands-on knowledge to the participants
