Policy - Banning of Drug and Tobacco use on Campus

1 Aims and Objectives

- 1.1. Use of Drug and smoking pose serious risks to human health and the social life of the community and have significant economic and environmental costs.
- 1.2. According to the United Nations Office of Drugs and Crime (UNODC)s 2020 World Drug Report, in 2018, more than 35 million people suffered from the consequences use of drug. In fact, the number of drug users worldwide is on the rise with cannabis being the most commonly used drug¹. Other commonly used drugs include alcohol, methamphetamine, heroin, amphetamine-type stimulus (ATS), cocaine, ecstasy, opium, poly drug (a combination of several drugs), pharmaceutical cocktails, tranquilizers and sedatives. Factors contributing towards drug abuse include easy access to drugs at low prices, rapidly changing social norms, existence and presence of drug dens and cartels, unemployment and economic distress, lack of awareness on drug abuse within the family and in educational institutions, mental health problems (such as anxiety, depression, anger, guilt, grief, low self-esteem, frustration, rejection etc.), curiosity/urge to experiment, influence of media portrayals, peer pressure, lack of support by parents, the family and the community. To address

the problem, the Federal Government has passed various laws including the Control of Narcotics Substance Act, 1997 and the Drugs Act, 1976, which proscribes the possession and distribution of illicit drugs and alcohol with penalties for violations provided in the Code of Criminal Procedure up to and including capital punishment.

- 1.3. With respect to smoking, the World Health Organization documents that more than 8 million people die each year from tobacco use with 1.2 million of these deaths from passive smoking alone and many others facing tobacco-related health complications². Accordingly, the Federal Government enacted the Prohibition of Smoking and Protection of Non-smokers Health Ordinance, 2002 (Ordinance No. LXXIV of 2002) to limit smoking at public places of work or use and in public service vehicles (except in designated areas) and to outlaw tobacco storage, sale, or distribution in the vicinity of educational institutions. Individuals and institutions who violate the law may face the penalty set out in sections 11 (a) and (b) of the Ordinance.
- 1.4. CUST will join hands with all stakeholders including psychologists and psychiatrists, social workers, NGOs, and others to address the problem of unlawful drug and tobacco abuse.
- 1.5. To ensure that CUST contribute to the reduction of drug abuse and smoking, this policy has been made pursuant to the powers granted to the CUST under Act, 2015. The policy supplements national and provincial legislation on drug and tobacco use including the Drugs Act, 1976, the Control of Narcotics Substances Act XXV, 1997, the Drug Regulatory Act, 2012, and the Prohibition of Smoking in Enclosed Places and Protection of Non-smokers Health Ordinance, 2002 (Ordinance No. LXXIV of 2002)

2 Scope

- 2.1. This policy covers CUST and is applicable to students, faculty, staff and visitors (including individuals associated with outsourced services) in the premises of CUST (campus, class rooms, hostels, play grounds, libraries, laboratories, cafeterias & transport etc.)

3 Anti-Drug & Tobacco Committee and Focal Persons for Drug and Tobacco use

- 3.1. **Anti-Drug & Tobacco Committee (ADTC):** CUST shall constitute an “Anti-Drug & Tobacco Committee” comprising of five members duly notified by the Vice Chancellor. Any sub-campus of the CUST shall also establish its own sub-committee constituted on a similar pattern to perform similar duties.
- 3.2. **Composition of the ADTC:** The committee shall be headed by the senior most committee member and include:
- a) Director Student Affairs or senior university officer / faculty designated as Chair of the accessibility committee.
 - b) two members from the faculty (one male and one female.)
 - c) at least one member from the student body as may be prescribed by the university
 - d) one representative of psychological wellbeing committee / universitys medical center.
 - e) one staff member deputed as secretary to the

ADTC. General Provisions for work of the ADTC:

- a) for the purpose of a meeting of the accessibility committee, three members shall constitute a quorum.

- b) in absence of the Chair, the senior most member shall act as Chair of the meeting.
- c) the Chair and the members shall hold office for the period of three years and shall in no case be eligible for re-appointment for more than one similar term.
- d) the Vice Chancellor shall appoint all members of the ADTC except the ex-officio members and the representative of the student body

3.3. Roles and Responsibilities of the ADTC: The committee will be responsible for ensuring a drug free and smoke free environment in the CUST and to take measures to safeguard the interests of the students in the following ways:

- i) by inquiring into, investigating and resolving any matter regarding the usage/-consumption, sale and distribution illegal drugs in the CUST;
- ii) by inquiring into, investigating and resolving any matter regarding the violation of Anti- Tobacco Legislation at the CUST;
- iii) by coordinating with and connecting students to rehabilitative services including counselling, medical care and helplines when needed;
- iv) by raising awareness on the prevalence, problems and persistence of drug abuse and tobacco consumption;
- v) by providing advice to CUST regarding the implementation of this policy and relevant legislation; and
- vi) by ensuring effective coordination with all relevant stakeholders inside and outside the CUST.
- vii) maintain close liaison with hostel wardens for implementation of this policy and may relocate the reasonably suspected student for drug abuse or found addicted student.
- viii) By taking any other appropriate measures including but not limited to testing of an accused from any authorized laboratory

3.4. Focal Person for Drug and Tobacco Use: The member of the ADTC who is from the CUST administration shall be appointed a Focal Person for matters related to

Drug Abuse and unlawful tobacco consumption. The Focal Person will act as a liaison for the members of the CUST to the ADTC. If a student, staff, or faculty member feels that he or she needs medical and/or mental health assistance and counselling or would like to report Drug Abuse or smoking, the student, faculty or staff member may reach out to the Focal Person who will connect the individual to the services requested or refer the matter to the ADTC to begin an inquiry as the case may be.

4 Efforts to Prevent Drug and Tobacco Abuse

4.1. CUST must undertake efforts to prevent drug use, smoking and illicit smoking. This section lists actions that CUST must take as facilitated by the ADTC and the Focal Person.

4.2. Awareness raising against drug abuse and tobacco consumption:

- i) Drug use: Possession, use, distribution and sale of drugs is prohibited in Pakistan. CUST must ensure that students, staff and faculty are aware of the legal and disciplinary penalties for drug possession, distribution and sale.
- ii) Smoking: CUST must display labels in accordance with the prohibition of smoking under Anti- Tobacco Legislation. Additionally, all students should be made aware of the adverse effects of smoking on health.

4.3. **Awareness raising strategies:** In order to create and promote awareness and to educate students / faculty and staff about the negative effects of drug and tobacco use and its prohibition, CUST, through the ADTC, shall take the following measures:-

- i) All newly admitted students and newly appointed faculty/staff members shall attend a mandatory hour-long orientation session, arranged by the CUST. The session shall make them aware of this policy and the hazards of drug use and smoking.

- ii) An undertaking in the form set forth in Annex-A&B shall be signed by all existing and newly recruited/admitted faculty, staff members, and students, and shall be submitted to the relevant office of the university.
- iii) The CUST shall distribute drug and tobacco awareness material through student handbooks and pamphlets, including in the admissions materials (for awareness of both parents and students), incorporating details about the CUST policy (as well as its web link). This may include graphical images/pictorial illustrations of the adverse health effects of drug and tobacco consumption.
- iv) The relevant warnings under this policy as well provisions related to punishments for violations shall be displayed on the notice board of each department in the CUST.
- v) Awareness raising campaigns throughout the academic year including seminars, walks, workshops, and lectures shall be arranged.
- vi) To create awareness against drugs use and smoking and strengthen prevention interventions, CUST will collaborate with National Academy of Higher Education.

4.4. **Activities and programs:** Students must be encouraged to participate in a diverse array of programs as healthy engagements that may prevent any inclination toward smoking or Drug use. These include (but are not limited to):

- i) extra and co-curricular activities on campus such as theater, dramatics etc.
- ii) community service including plantation, distribution of food amongst the disadvantaged, volunteer work at old/shelter homes (the CUST may require community engagement & service hours at the undergraduate level);
- iii) fitness, exercise, sports and athletic activities;
- iv) Students, faculty and administrative staff of the university who have volunteered and worked extraordinarily for implementation of this policy shall be publicly acknowledged and conferred upon the certificate of appreciation on International Drug Use Day (June 26th) and/or World No Tobacco Day (May 31st) annually;

-
- v) hosting and monitoring of recreational events by CUST to provide an avenue to bring together students without drug and tobacco use; and
 - vi) any other program the ADTC may determine from time to time.
- 4.5. Engaging student clubs and societies and collaboration with other organizations: Student societies can additionally be engaged by the CUST in awareness raising activities. CUST can collaborate with various governmental/non-governmental organizations, effectively working for the cause to eradicate drug abuse and discourage tobacco consumption. Through these liaisons, the students can also be provided with an opportunity to volunteer and facilitate ADTCs workings.

5 Support for Members of CUST dealing with Drug and/or Tobacco Addiction/Dependence

- 5.1. CUST should ensure that students, faculty, and staff facing drug and/or tobacco addiction/dependence are provided with adequate support. This section lists some of the support CUST must provide.
- 5.2. **On campus counsellor/psychologist/psychiatrist:** A counsellor, psychologist, or psychiatrist available at the CUST shall help students, staff and faculty members by guiding them through any problems or issues such as peer pressure and demotivation which often lead to drug and tobacco consumption. Any student suffering from any mental health issues, such as anxiety, depression, or post-traumatic stress disorder may also seek assistance of the trained professional. If the student requires further assistance, the counsellor/psychologist/psychiatrist may refer the student to rehabilitative services. For this purpose, the CUST shall maintain a list of such services.
- 5.3. **Coordination with Parents:** In case a students parents have been notified pursuant to the provisions of Section 7.2 or Section 7.3 of this policy, the CUST shall endeavor to coordinate with the parents of such students for purposes of helping

the students with rehabilitation and facilitating their return to their studies in case of any gap.

- 5.4. **Helpline:** CUST shall establish a helpline that students, faculty and staff can call whenever they face a mental health issue or a situation in which they may have been tempted to use drugs or tobacco. This helpline will be staffed by a trained counsellor and a team of trained volunteers. Volunteers may include student, faculty, or staff. The helpline may refer students to the on-campus counsellor/psychologist/psychiatrist, rehabilitative services, the ADTC or the relevant Focal Person.
- 5.5. **De-stigmatization of the affected students and university members:** Because students, faculty and staff using drugs may need significant medical and psychological assistance, all those who seek support for drug or tobacco dependence and addiction from the Focal Persons, counsellors/psychologists/psychiatrists and the helpline will receive counselling on a confidential basis. Provided that, in the event that a student requires medical attention for drug use the CUST shall promptly inform the students parents of the matter and coordinate with them to assure the best care for the student.

6 Complaint Procedure

- 6.1. **Regular inspection/monitoring:** Campus security shall undertake frequent and random visits to the cafeterias, canteens, tuck shops, and other such places susceptible to the sale, usage and distribution of drugs/tobacco and stop any suspicious and illicit activity occurring in contravention of this policy and relevant legislation.
- 6.2. **Training programs:** Staff and faculty may receive training aimed at understanding behavior indicative of drug abuse so that they may refer such matters to the Focal Person in order to protect the health of the students.
- 6.3. **Complaint:** Any person associated with the CUST including (but not limited to) the student, faculty member, non-teaching staff, administrative staff, or a visitor may submit a complaint in writing to the Vice Chancellor, stating that any person

has engaged in drug abuse, illicit smoking, or the unlawful sale or distribution of drugs/tobacco at the CUST. The identity of the whistle blower/complainant shall be kept confidential. The Vice Chancellor will forward the complaint to the committee without revealing the identity of the whistle blower. The Focal Person shall maintain a proper record of all complaints.

6.4. **Initial Scrutiny:** Each complaint shall be assessed based on shared information. Complaints substantive in nature and associated with sufficient supporting documents/evidence shall be considered for further investigation by the ADTC.

6.5. **Investigation:** The ADTC shall investigate all non-frivolous complaints before making its decision through the following process:

6.5.1. Initiation of an inquiry.

6.5.2. The body of facts or information (evidence) that the ADTC uses could be:

- Eye witness evidence
- Physical evidence individual found in possession of any illegal substance, individual found intoxicated (proven by a drug test) or individual caught distributing any illegal drugs or tobacco on campus
- Video recording of the security cameras

6.5.3. A personal hearing/s with the accused prior to any checking.

6.5.4. Random testing/checking of possessions/individuals by campus security on the recommendation of a committee member.

6.6. **Decision:** All complaints shall be decided by the ADTC within one month of their receipt and the ADTCs recommendation shall be communicated to the concerned in writing. The CUST may assign penalties as detailed in section 7 of this policy.

6.7. **Appeal:** An appeal to the decision may be made by the aggrieved within seven working days of the receipt of the decision to the Vice Chancellor, who shall review the recommendations of the ADTC and uphold, minimize, or revert the decision made by the committee within seven working days. The decision taken by the Vice Chancellor shall be final.

- 6.8. **False Complaint:** In the event that the ADTC determines that a false allegation was made in the complaint with mala fide intent, it may send its findings to the Vice Chancellor and recommend the Vice Chancellor take disciplinary action against the complainant.

7 Penalties

- 7.1. To discourage drug use and smoking, the CUST may impose the penalties detailed below.
- 7.2. Drug use: For drug-related violations, the CUST may, on recommendation by the ADTC, take disciplinary action against students, staff, faculty, and visitors in the following way:
- i) For first time offenders in case of minor infractions, the ADTC may refer the offender to the in-house counsellor/psychologist/psychiatrist to undergo medical and mental health treatment. This referral must be in writing and require the completion of the counselling or rehabilitative program within a set period.
 - ii) In the event of a significant violation and/or repeated violations of this policy, the ADTC may recommend that the CUST issue a warning and ultimately suspend or expel the offender (and in case of students, notify the students parents). Further, the CUST would have to comply with any reporting requirements under any applicable law.
 - iii) If a student, faculty, or staff member is involved in the distribution or sale of illicit drugs, the CUST shall report the violation to the appropriate authorities including law enforcement agencies.
 - iv) In the event a visitor is found on the premises engaging in any drug-related offense, campus security shall immediately report the violation to the appropriate authorities including law enforcement agencies.

7.3. **Smoking:** For smoking-related violations, the CUST may, on recommendation by the ADTC, impose the following penalties:

- i) For a first violation, the ADTC may recommend the CUST issue a warning letter and a notice of displeasure;
- ii) For a second violation, the ADTC may recommend suspension of the student for one week or more from the premises of the CUST with parental notification for students and disciplinary action for faculty and staff as per the CUST regulations;
- iii) For a third violation or more, the ADTC may recommend a longer suspension depending on the severity of the violation and further disciplinary action for faculty and staff as per CUST regulations;
- iv) In case any visitor is found smoking in the CUST premises, the visitor shall be fined Rs. 1,000 by the CUST, and any further necessary action shall be taken in accordance with the Anti- Tobacco Legislation.
- v) In case of any unlawful sale or distribution of tobacco on the premises of the CUST, the violator shall be fined Rs.5,000 by the CUST and shall be reported to the appropriate authorities including law enforcement agencies.

8 Enforcement of this Policy

8.1. **Survey/ Feedback mechanism:** An annual survey shall be conducted, asking students and staff members to respond to an anonymous close ended questionnaire related to matters covered under this policy. In case the student body is large, survey shall be conducted through random sampling. The office of the Focal Person shall analyze the findings and present them to the ADTC for review and comment.

8.2. **Compliance reports:** CUST must submit annual compliance reports along with survey reports by December 31st of each year to the CUST in a format prescribed by the HEC from time to time.

8.3. **Implementation of this policy:** CUST shall establish the standing ADTC and designate the Focal Person in accordance with the provisions of the policy no later than October 31, 2021.
