consideration of Dr. Furqan for 11th Tameer Award, and preparation of CUST Annual Report.

- 3.2 Mr. Tahir Mehmood, while talking about the NIC Hatchery Program, emphasized that an external curriculum is not much needed and an alternative better approach maybe adopted which included remapping of the University Strategies and availability of the consultancy and capacity building opportunities for the Faculty and Students, particularly on topics related to startups and entrepreneurship. He strongly recommended to the introduce a course of entrepreneurship in the CUST academic curriculum.
- 3.3 Mr. Abdul Qadeer, while talking about the NIC Hatchery Program, suggested that the NIC proposal must include a clearly defined outline, time duration of one session, number of students to be involved in one session, and fee structure. He emphasized that the resource persons of the program should be from the industrial sector and at least two sessions should be conducted every month.
- 3.4 Mr. Farrukh Mehmood, while talking about the NIC Hatchery Program, reiterated that the program should have a duration of at least two years starting from the 5th semester. Furthermore, he said that the workshops should cover the practical aspects thoroughly. It should be more likely a guidance on which action has to be taken.
- 3.5 Mr. Tahir Mehmood, taking on trainings attended by ORIC, emphasized that whenever an ORIC Team member attends a training/workshop, he/she should prepare a written report on the training and conduct a short session for faculty and students to share the acquired knowledge.
- 3.6 The Dean ORIC thanked the members for their valuable suggestions and committed to consider them in future proceedings.

The meeting was concluded with a word of thanks to the participants.
