- Subsequently, the Committee deliberated upon the following agenda items at length and took the following decisions:

**Item #1 Confirmation of the Previous Meeting Minutes**

- 1.1 The Chair handed over the floor to Dr. Nayyer Masood, Dean ORIC, to discuss the status of progress on the decisions/suggestions made/given in the previous meeting.
- 1.2 The Dean ORIC discussed the following with the mention of the committee member who raised the point:
  - Mr. Abdul Qadeer – Need of extra efforts on industrial linkages
  - Dr. Majid Ali – Industrial member in FYP panel; considering departmental MoUs; FYPs on standard template; training of faculty on IP
  - Mr. Farrukh Mehmood – Some incentives, like load relaxation, on IP and commercialization
  - Dr. Muzaffar Abbas – Some mechanism regarding consultancy services
  - Mr. Bilal Farooq – Offered his services for FYP funding program
- 1.3 The chairperson asked Dr. Majid Ali about his suggestion of having an industrial advisor attached to each FYP. Dr. Majid, explained to the committee that 100% FYPs (Fall 2024) of Civil Engineering (CE) Department have been linked with an advisor from industry.
- 1.4 The Vice Chancellor assured the house that load relaxation will be given to the faculty members actively involved in IP filing.
- 1.5 It was informed that no other observation on the decisions taken in 8<sup>th</sup> meeting of the ORIC Steering Committee held on October 1<sup>st</sup>, 2024, already circulated amongst the members of the Committee was received. Therefore, the ORIC-Steering Committee confirmed the minutes of its 8<sup>th</sup> meeting.

**Item #2 ORIC Activities Brief (September-October 15, 2024)**

- 2.1 The Dean ORIC started his briefing about ORIC Activities from the efforts made in the Industrial Outreach and Linkages domain including the following:
  - **University Industrial Outreach Committee (UIOC):** The Dean ORIC informed the committee about the purpose, structure and working of the UIOC. Having being asked by the Chairperson, the Dean ORIC deliberated on the action plan and successful visits of the UIOC before the committee.

- **Industrial FYPs:** The Dean ORIC informed that Mr. Jafar Safdar, CEO of Aql Tech. Solutions, provided a list of FYPs, and those FYPs have been allocated to the students.
- **CUST FYP Funding Program – COHORT 4:** The Committee was apprised that CUST FYP Funding Program – COHORT 4 is in the phase of final shortlisting of the funding applications. Best six FYPs will be selected for funding and will be given a space in the CUST Incubation Centre. Moreover, the selected FYPs will also be considered for marketing through FMSS student FYPs.

2.2 The Dean ORIC further apprised the committee about the ORIC activities including:

- Dr. Majid Ali's crash course on Earth Quake resistant design of buildings.
- Full-day hands-on training Modern Grounding Techniques
- SAMSUNG Innovation Campus (SIC) – AI Course
- Latex training for faculty members and students of Pharmacy
- Training on Intellectual Property (IP) filing for CUST faculty members
- ORIC efforts to promote IP Culture at CUST, including (i) motivating the faculty to file IP before publishing the research outcomes, and (ii) ORIC attendance in dissertation defense followed by scrutiny of graduate projects.

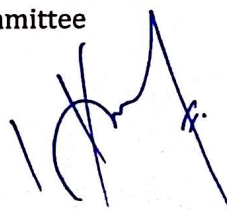

2.3 While outlining the PhD Degree requirements and the time-consuming process of IP registration and grants, the chairperson suggested that IP filing before publication be considered after completing the one publication requirement for the PhD Degree.

2.4 Mr. Abdul Qadeer commented that the IP should be kept in a narrow focus with clear identification of the areas that need attention.

2.5 Mr. Tahir Mehmood suggested that the information sharing between offices & departments of the university should be improved for combination of efforts & achievements and greater benefit of the institution. He added that industry may be contacted with laser focus perspective and MoUs be converted into MoCs (Memorandums of Cooperation) and MoAs (Memorandums of Agreement).

2.6 Dr. Nadeem Anjum suggested that the COHORT-4 funding applications be evaluated by the steering committee. All the external members agreed to the suggestion and committed to spare time for the said task.
