At the end of the visit, the UIOC delegation invited the 31 Green company to visit the Capital University of Science & Technology (CUST) to conduct a training session with the graduating students on presentation skills, CV writing/interview skills, and to have a brain storming session with CUST officials to further explore the collaborative prospects. The 31 Green's leadership accepted the invitation and agreed to pay a visit to CUST as per their earliest convenience. Both sides agreed to meet in future to further extend the collaboration between the two organizations.
