

FACULTY OF LAW

The Faculty of Law (FOL) aims to develop legal professionals with a solid understanding of the field, with good communication skills and intellectual curiosity. Our team of legally trained lecturers has excellent experience in training lawyers. Our curriculum and training activities have been tailored to Pakistan's legal system. Since we focus on education with an emphasis on real-world problem solving, students will get a wide range of essential skills that will help them succeed in their careers. In order to satisfy the demands of both employers and students, we will continuously be broadening our course offerings to make sure students

acquire the abilities that employers value.

Initially Capital University of Science and Technology (CUST) FOL will offer an undergraduate four-year law degree program. A-Level, Higher Secondary School Certificate, Intermediate, or an equivalent degree is required of those seeking a legal degree. The first degree in law offered by this course, known as the LLB degree, spans 8 semesters. Students who successfully complete the course are granted an LLB degree in compliance with the Pakistan Bar Council (PBC) and Higher Education Commission (HEC) standards.

Bachelor of Laws (LLB)

■ Program Educational Objectives (PEOs)

The Bachelor of Laws (LLB) program aims to produce leading professionals who will:

- (i) To Reflect a commitment to constitutional values, democracy, and the rule of law in their personal and professional life.
- (ii) To demonstrate leadership in legal teams, law firms, corporate governance and policymaking forums.
- (iii) Pursue advanced studies in law or related disciplines to expand their knowledge, research, and academic contributions.

■ Program Learning Outcomes (PLOs)

Upon completion of Bachelor of Laws (LLB) program, the graduating students should be able to demonstrate the following attributes:

- (i) Demonstrate a comprehensive understanding of fundamental legal principles, doctrines, and the structure of legal systems, both national and international.
- (ii) Effectively communicate legal concepts through oral and written forms, including legal drafting, argumentation, and advocacy in both academic and professional settings.

- (iii) Demonstrate proficiency in practical legal skills such as client interviewing, negotiation, dispute resolution, and litigation through experiential learning opportunities like moot courts, internships, and legal clinics.
- (iv) Exhibit a strong commitment to ethical practices, professional responsibility, and social justice, recognizing the lawyers' role in upholding the rule of law and serving the public interest.
- (v) Conduct effective legal research using primary and secondary sources and apply critical thinking and analytical skills to interpret laws, identify issues, and develop well-reasoned legal arguments.
