SELF – INSTITUTIONAL PERFORMANCE EVALUATION 2022-23

Self-Institutional Performance Evaluation (IPE) of Capital University of Science and Technology (CUST) was conducted from 3rd to 4th January 2023. Self-IPE is considered to be an internal QA activity, carried out by each HEIs to assess the preparedness and capacity of the institution, ensuring institutional performance as per the required standards. It encourages institutions to adopt and implement QA standards and processes with a clear sense of transparency and accountability. This exercise supports institutions in developing their capacity, improving performance, and creating a quality culture. There are eleven IPE standards designed to assess qualitative and quantitative attributes representing academic, administrative and financial effectiveness of HEIs. Institution meeting the expectation against all the eleven standards (Mission and Goals, Planning and Evaluation, Organization and Governance, Integrity, Faculty, Students, Institutional Resources, Academic Programs and Curricula, Public Disclosure and Transparency, Assessment and Quality Assurance, and Student Support Services) are assigned the status of a recognized quality provider by the Higher Education Commission. CUST Internal institutional performance evaluation for the year 2022-23 was conducted by the following review committee comprised of both external and internal members.

Dr. Muhammad Sarwar	Dean, Faculty of Education, IIUI
Dr. Sahar Fazal	Dean, Faculty of Health & Life Sciences CUST
Mr. Asim Azhar	Director QEC, MY University
Dr. Ahsan Mahmood	Assistant Professor, MS Department CUST

The review panel, as per devised process conducted their meetings with all the relevant stakeholders including Vice-Chancellor CUST, Registrar, Deans, Directors, Faculty, and students. In addition to these meetings, the IPE panel also visited different university officials and gathered relevant information and evidences.

The University Portfolio Report (UPR) duly prepared by QEC including the required University Wide Data (UWD) was shared with the review panel before their formal visit. The review panel during the visit went through all relevant information and evidences related to each set standard provided in UPR. Representatives from different university departments were also invited by the review panel for interactive sessions and gathering of relevant information. The review panel shared their highest satisfaction about the level of effectiveness and commitment of university towards meeting these standards.

The recommendations and observations given by the review committee were communicated to the relevant quarter through Vice Chancellor's Office.

The IPE Report for the year 2022-2023 reflects that CUST's performance against all IPE standard are extraordinary and shows firm commitment of its leadership in implementing all QA standards. The role of university leadership and all relevant offices were appreciated in creating quality culture through engagement and active contribution of all concerned university officials and offices. The review team appreciated the role of QEC in implementing all the QA processes in its true spirit as per the vision of the Vice Chancellor.
