EQUALITY

ACTIVITY 01: WOMEN ENTREPRENEURIAL GALA

Organized By:
The Department of Management
Sciences in collaboration with the DSE.

The Women Entrepreneurial Gala was conducted to promote gender equality, empowerment, and inclusivity within the university environment. The event provided a platform for students to participate in diverse activities, including martial arts, challenging stereotypes and demonstrating confidence, strength, and self-reliance. Collaborative stalls by both female and male students showcased entrepreneurial ideas and creative products, fostering teamwork, leadership, and innovation. The initiative aligned with SDG 5, particularly Targets 5.5 and 5.a, by promoting women's participation, leadership, and access to economic opportunities. It encouraged business awareness, communication skills, and interest in entrepreneurship as a career pathway. The activity reinforced the importance of equal opportunities and contributed to building a more inclusive and empowered society.

EQUALITY

ACTIVITY 02: GIRLS EMPOWERMENT AWARENESS SESSION

Organized By:
The Department of Management
Sciences in collaboration with the DSE.

An outreach visit was conducted at a government school in Kahuta to promote awareness of gender equality and women empowerment among students. Interactive sessions focused on women's rights, the importance of education, and entrepreneurial opportunities for girls. Discussions emphasized confidence building, decision-making, and equal participation in opportunities. The initiative created an engaging learning environment that encouraged curiosity and active involvement. It aligned with SDG 5, particularly Targets 5.1 and 5.5, by promoting equality, empowerment, and leadership among young girls. The activity fostered self-belief and inspired students to pursue their potential without limitations.

EQUALITY

ACTIVITY 03: INTERACTIVE LEARNING & GENDER INCLUSION SESSION

Organized By:
The Department of Management
Sciences in collaboration with the DSE.

An outreach visit was conducted at a Scientific Model School to engage students through interactive and activity-based learning. Educational games and creative activities, including face painting, created a friendly and inclusive environment encouraging equal participation of all students. The sessions promoted confidence building, communication, and self-expression without gender bias. The initiative aligned with SDG 5, particularly Targets 5.1 and 5.c, by fostering inclusivity, reducing gender-based stereotypes, and encouraging equal engagement in learning activities. It contributed to building a supportive environment that promotes equality, creativity, and mutual respect among young students.

EQUALITY

ACTIVITY 04: SUSTAINABLE DEVELOPMENT & GENDER IMPACT DEBATE

Organized By:
The Department of Management
Sciences in collaboration with the DSE.

A classroom courtroom activity explored the balance between industrial growth and environmental protection through a structured debate. Arguments highlighted economic development, job creation, and industrial progress alongside concerns of environmental degradation, water pollution, and long-term risks to human survival. The activity emphasized that sustainable development requires responsible practices that protect natural resources. It further linked environmental issues with gender equality, recognizing that women are disproportionately affected by resource scarcity and pollution. The initiative aligned with SDG 5, particularly Targets 5.1 and 5.5, by highlighting the need for equitable access to resources and inclusive decision-making. It reinforced the importance of sustainable practices in supporting women's well-being, opportunities, and leadership in society.
